OBJECTIVE

I am Tuan. I'm a Web Developer in Da Nang City. I am passionate about coding, making products and eager to work on new things with creative ideas. I'm seeking a competitive and challenging environment where I can serve and establish a career for myself. So if I could be a part of a large firm like yours, it would be a good opportunity to expand my skills and knowledge. Finally, I hope with my limited ability I can contribute something in the growth of your company even it is small
